The Honorable Sinclair Weeks  
The Secretary of Commerce  
Washington 25, D. C.

Dear Mr. Secretary:

I appreciate your letter of 18 February  
inviting my comments on the Bureau of Standards  
"Open House".

The presentation was most impressive, and  
I found that it whetted my appetite for more.  
I would like to suggest that our country would  
be well served if some means could be devised  
to broaden the scope of the "Open House" so that  
more of the American people could see this display.  
What I have in mind is the possibility of a film  
of the exhibit suitable for public gatherings or  
for television.

Thank you very much for including me in  
your invitation. Please accept my sincerest  
congratulations on a job well done.

Sincerely,

SIGNED

C. P. CABELL  
Lieutenant General, USAF  
Deputy Director

Dear General Cabell:

Thank you very much for responding so promptly to my letter about the Bureau of Standards Open House.

I was most interested in your suggestion to film the display and think the idea has a great deal of merit.

With appreciation for the time and trouble you have taken to pass on your comments,

Most sincerely,
